

SHIVAM JHA

SOFTWARE DEVELOPER

As a Full-Stack Developer with a passion for creating innovative web applications, I bring my skills in MERN (MongoDB, Express.js, React.js, Node.js) stack development and a strong foundation in Electronics and Communication engineering. With a Diploma in Electronics and Communication from Guru Nanak Dev Institute of Technology and currently pursuing my B. Tech in the same field from Maharaja Surajmal Institute of Technology, I am eager to leverage my technical expertise to contribute to challenging projects.
